August 16, 1984

Honorable William J. Casey
Director of Central Intelligence
Washington, DC 20505

Dear Honorable Casey:

It is my pleasure to invite you to a gathering and reception in the home of Dr. David Westermann, a member of the Corporation Board of Polytechnic Institute, on Monday, September 17, 1984.

It will be an evening of old friends and new ideas. It has been almost two years since Dr. George Bugliarello has had the opportunity to address those in the Washington, D.C. area, and this is our chance to hear directly from him about the many exciting new developments that have been occurring at Polytechnic. The evening will also include the induction of Mr. John Puente, Vice Chairman of the Board of M/A COM, Inc., as a Polytechnic Fellow. A cocktail buffet will follow the short program.

I hope that you will be able to attend this evening to see old friends, meet new ones, and hear of the progress Polytechnic is making. As space is limited, please fill out the enclosed response card and return it at your earliest possible convenience.

If you have any questions, Vickie White at (703) 664-6489 will be glad to be of assistance.

I look forward to your favorable response.

Sincerely,

Joseph H. Newman,
Chairman, Polytechnic Fellows
